## Kisan Rin Portal

The Union Finance Minister has recently launched the **Kisan Rin Portal** along with the weather information Network Data Systems (**WINDS**) portal.

[Ref – Business Standard]

### **About Kisan Rin Portal:**

- It aims to give farmers **subsidised loans** under the **Kisan Credit Card (KCC) scheme** to revolutionise the agriculture sector in the country.
- It will offer a comprehensive view of farmer **data**, **scheme utilisation** progress, **loan disbursement** specifics, and **interest subvention**.
- It claims to increase seamless **integration with banks** for more effective and efficient **agriculture credit**.

### **Door-to-door KCC campaign:**

- There are around **7.35 crore** KCC accounts with a sanction limit of a total of **8.85 lakh crore**.
- To extend the benefits of KCC, the **door-to-door campaign** will reach non-KCC holders of beneficiaries of the central scheme PM-KISAN.
- Under PM-KISAN, Rs **6,000 per annum** is given to each identified beneficiary farmer's bank account.

### **About Weather Information Network Data Systems (WINDS) Portal:**

- It was launched to leverage **advanced weather data analytics** to give stakeholders actionable insight to make informed weather decisions on agriculture.
- It provides a comprehensive manual to stakeholders for an **in-depth understanding** of the portal functionalities, **data interpretations** and effective **utilisation**, **empowering farmers**, **policymakers** and various agricultural entities to make well-informed decisions.
- It works for crop risk mitigation and disaster risk reduction and mitigation by sharing **parametric crop insurance schemes**, along with **non-scheme parametric insurance** programmes.
