Sagar Manthan Dashboard

Union Minister for Ports, Shipping and Waterways recently launched Dashboard **'Sagar Manthan'** .

[ref-PIB]

About the Sagar Manthan Dashboard:

- It is a **Digital platform** having all the **integrated data** related to the **ministry** and other subsidiaries.
- It will help the workings of **various departments** through well-coordinated **real time** information.
- It helps in real-time project **tracking**, **risk management**, **resource allocation**, and progress reporting.
- It will be integrated with **Input** from **CCTV camera**, Live streaming from **Drone**, **AI based Algorithm** to map actual progress.

Features:

- Data visualization
- Real-time monitoring
- Improved communication
- Data-driven decision making
- Increased accountability.
