### Significance of the Ujh project

- After completion of the project, **utilization of waters of Eastern Rivers allotted to India as per the Indus Water Treaty** would be **enhanced** by utilizing the flow that presently goes across the border to Pakistan.

### Ujh River

- It originates in the **Kailash mountains** (near Bhaderwah hills, part of the Pir Panjal Range).
- It flows through the **Kathua district in the Indian union territory of Jammu and Kashmir**.
- It is a **tributary of the Ravi River**.
