### **About the ULLAS mobile application:**

- The ULLAS mobile application aims to impart basic education and other life skills by fostering a learning **ecosystem** that reaches every **individual**.
- **ULLAS stands for:** Understanding Lifelong Learning for All in Society
- It will serve as a **digital gateway** for **learners** to engage in **diverse learning resources** through the Digital Infrastructure for Knowledge Sharing (**DIKSHA**) portal of National Council of Educational Research and Training (**NCERT**).
  - DIKSHA is a **National Teacher Platform** used by **teachers** and **students** across the nation to provide **school education** through **distance mode**.
- The ULLAS app can be used for **registration** of **learners** and **volunteers** either through **self-registration** or by **surveyors**.
- It will promote **functional literacy**, **vocational skills**, and other **life skills** such as **financial literacy**, **legal literacy**, **digital literacy** among others.
- It will be implemented through **volunteerism** to take part in the **scheme** as **duty** or **Kartavya Bodh**.
- It will facilitate access of **skills** and **educations** to citizens aged **15** and **above** who has lost the **opportunity** to go to **school**.
- It will incentivize the **student volunteers** through **credits** in school or university and other means like **certificates**, **appreciation letters**, **felicitation**, etc.

### **Other major launches at the event:**

- The Akhil Bharatiya Shiksha Samagam coincides with the **3rd anniversary** of the **National Education Policy** (NEP) 2020.

- The **logo** and **slogan** of **Jan Jan Sakshar** were also launched at the event.
