

## World Migration Report 2024

By IAStoppers | 2024-05-09 15:20:00

### World Migration Report 2024

**World Migration Report 2024** was recently released by the **International Organization for Migration (IOM)**.

[ref-OHCHR]

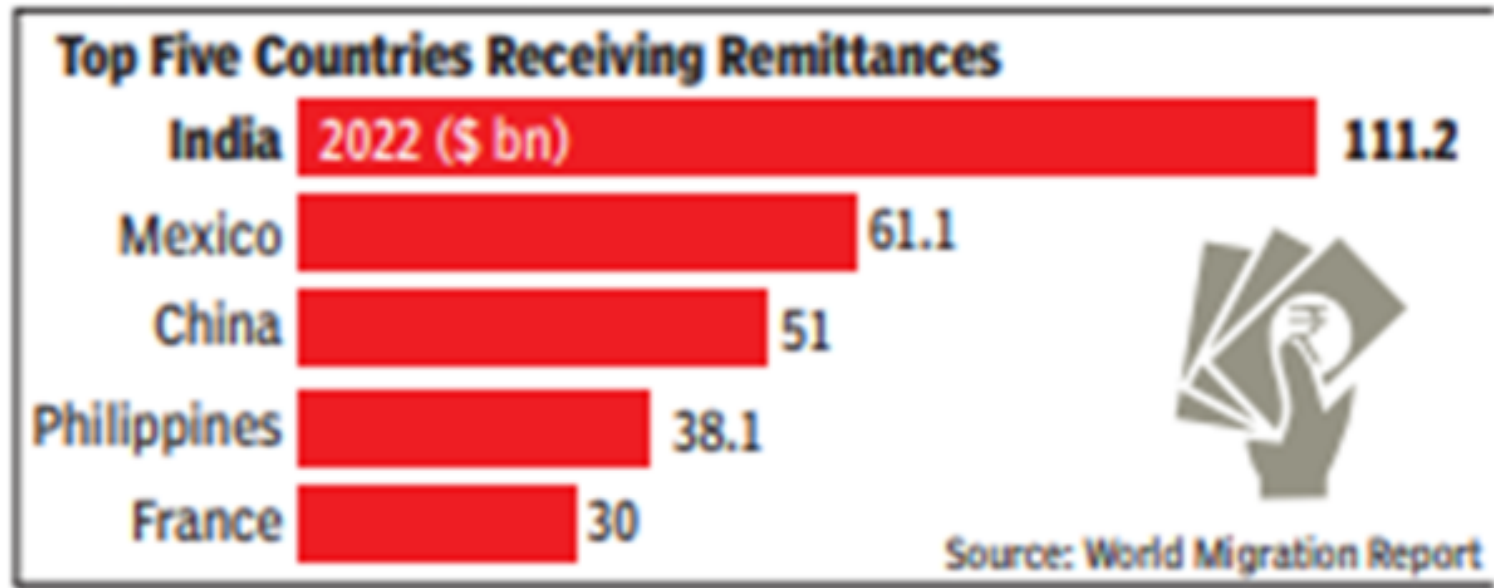

### **Key Highlights:**

- It identifies conflict, violence, and disaster as the primary reasons for migration.
- Globally, there are **281 million international migrants**, including **117 million displaced individuals**, representing the highest ever recorded.
- **India, Mexico, and China** were the top three remittance recipients in 2022.

### **India:**

- India leads in international migrants, with about **18 million** primarily in the UAE, U.S., and Saudi Arabia.
- It received the highest remittances globally, totaling **\$111 billion** in 2022.
- **Climate impacts** have triggered internal migration, especially in Rajasthan, Uttar Pradesh, and Madhya Pradesh.

# MONEY FLOW

received \$111 billion, the first continued to hold sway
