## Yuktdhara portal

The government launched a new **geospatial planning portal**, 'Yuktdhara', which will help in facilitating new MGNREGA assets.

[Ref: Business Standard]

### **About the portal:**

- The portal will serve as a **repository of geotags** created under various national rural development programmes.
- The name given is very apt as the word '**Yukt**' is derived from '**Yojanam**' (planning) and '**Dhara**' indicates flow.
- The portal under Bhuvan 'Yuktdhara' will **facilitate planning of new MGNREGA assets** using remote sensing and GIS (Geographic Information System)-based information.
- The **initiative is a culmination of untiring joint efforts** of Indian Space Research Organisation (ISRO) and the Ministry of Rural development.
- This portal **integrates wide variety of thematic layers**, multi-temporal high resolution earth observation data with analysis tools.
- Yuktdhara based plans will be prepared by grassroot functionary and verified by appropriate authorities for relevance and resource allocation.
